Tango Aalborg is looking forward to inviting you for these very special days – days with the curiosity and the passion for tango that we share.

THE TANGO AND ME

As a curiosity, we have convinced Jørgen Assentoft and Alejandra Mantiñan to present the short film "The Tango and Me". This part of the event will take place in Biffen at Nordkraft in Aalborg.

The film has received several awards worldwide and is one of several fine portraits from the world of tango in Buenos Aires – all produced by Jørgen Assentoft.

You will find Biffen at Nordkraft here <https://goo.gl/maps/EWGVBGWymZfxjdV18>
